

# Digital Inclusion includes YOU

Digital inclusion means everyone has the ability to access the internet so that they can learn, work, and thrive. The Affordable Connectivity Program (ACP) plays a major role in digital inclusion by helping eligible households secure low-cost or even free Home Internet.

**You may be eligible for ACP benefits if someone in your household is enrolled in any of the following programs:**

**CalFresh**

---

**Lifeline**

---

**NSLP (Free or Reduced School Lunch Program)**

---

**Medi-Cal or Supplemental Security Income (SSI)**

---

**Pell Grant**

---

**WIC (Women, Infants & Children)**

*You may also qualify if you have a household income of \$53,000 or less for a family of 4 (add \$9,000 for each additional family member).*
