ELIGIBILITY FOR AGED & DISABLED HOUSEHOLDS

If you are age 60 or over, or you are receiving Social Security Disability, or Medi-Cal due to a disability, or a full VA pension: you may be eligible with income over the regular limits if you pay very high rent and utilities and/or have medical expenses over \$35 per month. HOW MUCH CALFRESH BENEFITS WILL YOU GET?

The size of your household and your monthly income determines how much you get each month. The less income you have, the more CalFresh benefits you get.

Household Size	1	2	3	4	5	6	7	8
Maximum \$ Amount	281	516	740	939	1116	1339	1691	1902*

*Add \$211 for each additional person after 8.

HOW TO TRANSACT CALFRESH BENEFITS

Customers are issued a plastic card called an Electronic Benefits Transfer (EBT) Card that they then use to make purchases from stores and farmer's markets that accept CalFresh benefits. The stores will have machines, called POS (point of sale) machines, through which the customers will swipe their EBT cards. The amount of the purchase will be automatically deducted from the CalFresh EBT account.
