Program Participation

Our Goal...

- ▶ To help **you** reach your goals!

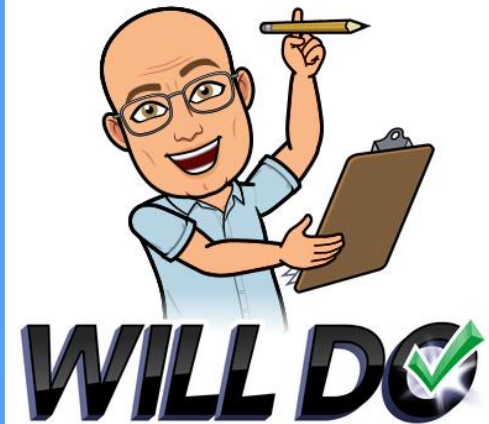

ETS: Brett

Make the most of your limited time on CalWORKs...

There is a 48-month time limit to receive CalWORKs Cash Aid

There is a 24-month time limit to participate in certain activities during the 48 months

If needed, eligible children can continue receiving their portion of the cash aid after a parent's time runs out

ETS: Brian

Some situations may stop your CalWORKs time clock..

You care for a child 0-23 months old (one time only)

You have a disability expected to last at least 30 days

You care for someone in your home that is unable to care for him/herself

You are experiencing a crisis (Family Stabilization)

You are Pregnant and cannot work

You are a non-parent relative caretaker of a child

You are under 16 years old or over 60 years old

You are 16-18 years old and going to school full-time

Even if you qualify for an exemption, you can still take full advantage of our services and support!

What does your participation look like?

- Find and engage in the activities that **align best with your goals!**

Family Type	Hourly Requirement	Hours to meet Weekly Average	Monthly Total
Single parent with a child under 6	20	22	87
Single parent with child(ren) over 6	30	33	130
Two-parent family	35	38	152

You Can Do It!

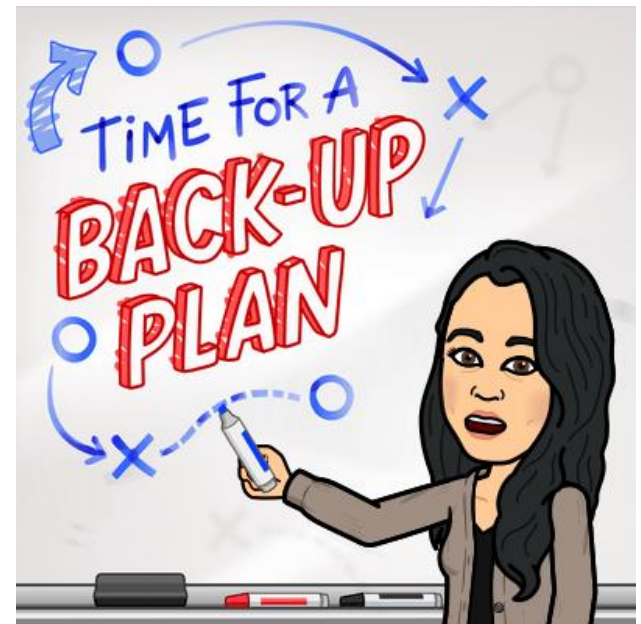

Time spent on
County
approved
activities may
also count
toward your
participation
target!

We know sometimes things in life don't go as planned...

If you are having a hard time participating or developing your plan, communicate with your ETS.

You may qualify for an exemption, additional services, or we can help you with goal setting.

We are on your side and are here to help!
