Action Item 1: Findings Authorizing Teleconference Meetings

(Action required)

Recommendation
Adopt findings pursuant to Assembly Bill 361 authorizing teleconference meetings as a result of the continuing COVID-19 pandemic state of emergency and Health Officer recommendation for social distancing.

Background
New State law adopted by the Legislature and signed by Governor Newsom (AB 361) allows local agencies to continue to meet by teleconference and internet platform as long as a state of emergency exists and local or state authorities have recommended social distancing measures. In a related provision, the legislative body, by a majority vote, can take action to meet via teleconference in order to avoid meeting in person and therefore reduce imminent risks to the health and safety of members of the public. If a legislative body continues to meet via teleconference, it must take action to renew this declaration every 30 days.

Suggested motion
I move to adopt findings pursuant to Assembly Bill 361 authorizing teleconference meetings as a result of the continuing COVID-19 pandemic State of Emergency and Health Officer recommendation for social distancing.
Santa Cruz County Workforce Development supports the Community by cultivating economic vitality and assisting Jobseekers by creating programs to train, educate, and support the workforce to develop key and timely skills. Information Item 4: Behind Every Employer Update
(No vote required) - Peter Detlefs

Background:
A Business Resource Network (BRN) helps business owners navigate through the disjointed web of services and programs. The BRN connects businesses with the resources necessary to grow, improve, or expand. On April 7, 2021, the BS/CEDS Committee approved pursuing the development of BRN, serving as the BRN advisory board, and committing to the ongoing update and management of the program. The Business Resource Network was launched on February 1, 2022 as Behind Every Employer Santa Cruz County.

Update: Since the launch of Behind Every Employer Santa Cruz County, a total of 13 leads have been generated as of March 28, 2022. Of the 13 leads, Workforce Santa Cruz County responded to 12 and one (1) was forwarded to El Pajaro Community Development Corporation for business advisory services. Overall, recruitment assistance remains the top need from those businesses that responded.

Budgeted direct outreach efforts through Full Capacity Marketing are winding down for fiscal year 2021-22. Staff will continue to promote Behind Every Employer Santa Cruz County of social media channels.
