Action Item 1: Findings Authorizing Teleconference Meetings

(Action required) – Andy Stone

**Recommendation**

Adopt findings pursuant to Assembly Bill 361 authorizing teleconference meetings as a result of the continuing COVID-19 pandemic state of emergency and Health Officer recommendation for social distancing.

**Background**

New State law adopted by the Legislature and signed by Governor Newsom (AB 361) allows local agencies to continue to meet by teleconference and internet platform as long as a state of emergency exists and local or state authorities have recommended social distancing measures. In a related provision, the legislative body, by a majority vote, can take action to meet via teleconference in order to avoid meeting in person and therefore reduce imminent risks to the health and safety of members of the public. If a legislative body continues to meet via teleconference, it must take action to renew this declaration every 30 days.

**Suggested motion**

I move to adopt findings pursuant to Assembly Bill 361 authorizing teleconference meetings as a result of the continuing COVID-19 pandemic State of Emergency and Health Officer recommendation for social distancing.
SANTA CRUZ COUNTY WORKFORCE DEVELOPMENT BOARD'S
FINDINGS PURSUANT TO ASSEMBLY BILL 361 AUTHORIZING TELECONFERENCE MEETINGS AS A RESULT OF THE CONTINUING COVID-19 PANDEMIC STATE OF EMERGENCY AND HEALTH OFFICER RECOMMENDATION FOR SOCIAL DISTANCING

WHEREAS, the Santa Cruz County Workforce Development Board is a legislative body under the Brown Act as defined under Cal. Gov. Code section 54952(b) and Santa Cruz County Code Section 2.38.110; and

WHEREAS, on September 16, 2021, Governor Newsom signed Assembly Bill 361 (“AB 361”), urgency legislation effective immediately, that amended Government Code section 54953 to permit legislative bodies subject to the Brown Act to continue to meet under modified teleconferencing rules provided that they comply with specific requirements set forth in the statute; and,

WHEREAS, pursuant to AB 361 and Cal. Gov. Code section 54953(e)(1)(A), a legislative body may meet under the modified teleconferencing rules during a proclaimed state of emergency, and where local officials have imposed or recommended measures to promote social distancing; and

WHEREAS, on March 4, 2020, Governor Newsom issued a Proclamation of State of Emergency in response to the COVID-19 pandemic, and which remains in effect; and

WHEREAS, on September 30, 2021, Santa Cruz County Public Health Officer Dr. Gail Newel strongly recommended that legislative bodies in Santa Cruz County continue to engage in physical/social distancing by meeting via teleconference as allowed by AB 361 and confirmed that she will regularly review and reconsider this recommendation and notify the public when it is no longer recommended; and

WHEREAS, pursuant to AB 361 and Cal. Gov. Code section 54953(e)(3), within 30 days of the date the legislative body first holding a teleconferenced meeting under the modified rules, and every 30 days thereafter, a legislative body can continue to hold such teleconference meetings provided it has reconsidered the circumstances of the state of emergency and determined either that the state of emergency continues to directly impact the ability of the members to meet safely in person or that local officials continue to recommend measures to promote social distancing; and

WHEREAS, on March 30, 2022, the Santa Cruz County Workforce Development held a subsequent teleconference meeting under AB 361; and
WHEREAS, the Santa Cruz County Workforce Development Board has reconsidered the circumstances of the current state of emergency and finds that the COVID-19 pandemic continues to directly impact the ability of members of the public to participate safely in person and further finds that the Santa Cruz County Public Health Officer continues to recommend measures to promote social distancing; and

WHEREAS, in the interest of public health and safety, and due to the emergency caused by the spread of COVID-19, the Santa Cruz County Workforce Development Board deems it necessary to utilize the modified teleconferencing rules set forth in AB 361;

NOW, THEREFORE, the Santa Cruz County Workforce Development Board makes the following findings by a majority vote:

Section 1. The foregoing recitals are true and correct, and adopted as findings of the Santa Cruz County Workforce Development Board.

Section 2. Effective immediately, and for the next 30 days, the Santa Cruz County Workforce Development Board will meet via teleconference as authorized under AB 361 and Government Code section 54953(e)(3).

Section 3. No later than thirty (30) days from making today’s findings, or at the next scheduled meeting, the Santa Cruz County Workforce Development Board will reconsider the circumstances of the COVID-19 state of emergency and, if necessary, adopt subsequent findings to continue holding teleconference meetings in accordance with Government Code section 54953(e)(3).

Information Item 7: Business Resource Network Update
(No vote required) - Peter Detlefs

Background:
A Business Resource Network (BRN) is an approach to proactively improve business operations through a business assistance referral network. The BRN takes resources and streamlines them into a single access point for employers bringing them from point A-to-Z of the process. The BRN navigates through the confusion of red tape and the disjointed web of services and programs to connect employers with resources to assist with current and future needs to grow, improve, or expand their businesses. On February 12, 2020, an update was provided that WDB staff was looking into implementing a BRN at a scale achievable with local funding levels. On April 7, 2021, the BS/CEDS Committee received another update and approved pursuing the development of BRN, serve as the Advisory Board, agree to dedicate staff and resources to complete the agreed upon approach, and commit to the ongoing update and management of the program.

Update: Staff has been working with Full Capacity Marketing (FCM) since Spring 2021 developing a strategic communication plan for Workforce Santa Cruz County. As part of this process, FCM informed staff of a new platform that FCM was partnering to develop called Behind Every Employer. The focus of the national Behind Every Employer platform is to strategically connect employers with education and workforce organizations that provide solutions to their workforce challenges. The Behind Every Employer website houses a locator map that allows employers to search for local educators and workforce professionals. Through an Appointment Lab, Behind Every Employer manages inquiries generated through a marketing campaign and forwards the leads generated to local staff. The Behind Every Employer platform allows organizations to leverage the brand and work with FCM to create a local lead generation campaign. Staff engaged FCM to deploy a localized campaign for the BRN to grow market penetration for our local business-serving partners.

On February 1, 2022, Behind Every Employer Santa Cruz County campaign was launched serving as the platform for our local BRN. The launch includes a social media campaign on LinkedIn and Twitter through Workforce Santa Cruz County as well as a survey sent to over 600 targeted businesses countywide. The messaging directs interested employers to the Behind Every Employer Santa Cruz County landing page to submit an interest form to the Appointment Lab. The landing page offers services for talent recruitment, workforce training, business advising, doing business in Santa Cruz County and financing. Leads with employers generated through the Appointment Lab will be funneled through the WDB Business Services Manager and directed to the appropriate local partners for follow up.

Over the coming months, the marketing campaign will continue, and partners will be asked to update their webpages and marketing materials in support of the Behind Every Employer BRN platform and campaign. Staff will be working with FCM to add partners to the locator map. The Workforce Santa Cruz County LinkedIn page offers an example of how BRN partners will promote Behind Every Employer Santa Cruz County locally. Partners are asked to follow Workforce Santa Cruz County’s social media platforms and share posts frequently.
Information Item 8: Workforce Santa Cruz County Social Media Update
(No vote required) - Peter Detlefs

**Background:** In Spring 2021, Full Capacity Marketing was engaged to develop and execute strategies in support of communications, public relations and marketing initiatives for Workforce Santa Cruz County. Initial activities included developing goals and strategies for the organization and brand and tagline development.

Since launching in mid-January over 90 people have responded requesting additional information on the Youth and Adult/Dislocated Worker programs.

The [Workforce Santa Cruz County LinkedIn](#) page launched on February 1, 2022. This page is targeted to employers in Santa Cruz County. The page shares information related to Workforce Santa Cruz County programs and services, upcoming local job fairs, shares information from contractors and community partners, and distributes news and information about or targeted for the local business community. The LinkedIn page has over 1,100 followers and highlights the branding of Behind Every Employer Santa Cruz County.
