Subject: VI. Presentation Items:

P.1 – Studio Holladay-WDB Messaging

Ted Holladay and Molly Lautamo of Studio Holladay presented their work in developing and updating the messaging for the WDB. They presented several scenarios (i.e. speaking with a potential board member or a member of the business community) for board members and the messages that should be used in those scenarios.

Subject: VII. Administration Items:

A.1 – Data Dashboard

Director Andy Stone went over the Data Dashboard, noting that through March 31, 2017 there were $773,425 unspent training funds. He stated that $450,000 was committed for trainings, leaving approximately $350,000 left to spend on trainings for the program year. He noted that the WDB is budgeting more training dollars and providing more training than before, but that there is still a large amount to spend. One factor affecting the spending of training dollars is the lack of approved training providers.

A.2 – Strategic Plan Report (Action)

Director Andy Stone reviewed the goals for the WDB Strategic Plan for Program Years (PY) 2014-17 and gave an update on the status of each goal. He stated that the employers involved with the Tech Partnership with Santa Cruz Works had decided to back out due to being overwhelmed; and the Prop 39 Pre-Apprenticeship program concluded with 16 of 17 enrolled participants graduating and 10 of those participants were employed within one week of graduating.

Action: It was moved to adopt the WDB Director’s Operational Plan update for PY 2016-17.

Status: Motion to Approve: Rob Morse
Motion Seconded: Barbara Mason
Abstentions: None
Committee Action: All in favor, motion passed.

A.3 – WDB Officer Nominations PY 2017-18
Former WDB Chair, Ron Slack, explained the process for determining the slate of candidates and presented the slate to the board. Director Andy Stone noted that the only change from the current officers was Elyse Destout replacing Andy Van Valer as Vice Chair of the Business Services Committee.

**Action:** It was moved to approve the proposed slate of Officers of the Workforce Development Board.

**Status:**

- Motion to Approve: Christina Cuevas
- Motion Seconded: Barbara Mason
- Abstentions: None
- Committee Action: All in favor, motion passed.

Marshall Delk, Business Services Committee (BSC) Chair, stated that the BSC is struggling with momentum and consensus on the path forward for the committee. Its next steps are to dovetail efforts at spreading awareness of the WDB’s business services with Studio Holladay’s efforts to develop messaging.
